In 1961, Lambs Farm Co-Founders Bob Terese and Corinne Owen were determined to start a business where adults with developmental disabilities could thrive. They ultimately decided to create a pet shop due to the unconditional love and forgiving nature of animals. Now 62 years later, we believe our Co-Founders would be proud knowing we are still carrying out their vision, as Lambs Farm Participants continue to find meaningful work in what is now our Dogwood Garden & Pet Center.

We invite you to join us in celebrating this very special connection between mankind and dogs at Lambs Farm DOGwood Day—1 Day of Puppy Love.
